Entrance Porch

A covered porch which sits beneath an attractive arch, has tiled floors and glazed French entrance doors that open onto:

Reception Hall

A warm and inviting entrance that has wooden floors running throughout, decorative cornice to the ceiling and a beautiful staircase that turns and rises to the first floor landing. There is a window at the half landing, a radiator and wooden doors that lead to the rest of the ground floor accommodation.

Kitchen Dining Room

7.23m x 4.96m (23' 9" x 16' 3") Stretching the width of the

property, with truly stunning views over the extremely large rear garden, is this spacious kitchen dining room that is ideal for hosting friends and family.

Kitchen Area

The kitchen itself is fitted with an extensive range of beautifully crafted traditional wooden units that provide storage and worktop space, this is complimented by a brick built island that has a matching wooden work surface. The space is zoned with the clever use of a brick built divide that provides space for additional cabinets and features a bespoke wine rack. The floors are laid with amber slate tiles, there is space for free standing appliances, recessed spot lighting, doors with double glazed inserts opening to the side and rear, and matching double glazed windows.

Dining Area

The dining space has ample room for a large dining table, there are double glazed French doors that open directly onto the rear garden and additional light is drawn from matching double glazed windows that face the side aspect, each with a radiator set beneath. A brick arch leads through to the sitting room.

Utility Room

2.73m x 1.62m (8' 11" x 5' 4") A practical room which houses the gas central heating boiler, has storage space and provides room for a washing machine and tumble dryer.

Sitting Room

Family Bathroom

The family bathroom has a corner bath, a pedestal wash hand basin and a close coupled WC. There is an obscure double glazed window, partly tiled walls, a radiator and an extractor fan.

Exterior

Rear Garden

The rear garden is a magnificent feature, and would be ideal for a family. The garden is extremely large, very well kept and features different spots in which to site and enjoy the mature trees and shrubs, fruit trees include apple, pear, greengage and plum. Whilst the garden is predominantly laid to lawn, different areas are formed with the help of a large outbuilding which provides excellent storage, or potential to further develop into a garden room (STLP). Beyond the outbuilding is a wooden shed and a green house, and this area of the garden can provide dappled shade as a break from the sunny aspect in the summer months. At the rear of the garage is a useful WC.

Garage

An 'up and over' door opens onto a triple length garage which provides ample room to park vehicles but also has lots of space for storage in addition. At the rear of the garage is a further up and over door, there is power and light connected and to the side is a pedestrian door leading to the garden.

Front Garden

A driveway provides off street parking to the front of the property, there is an area laid to lawn and a further shared driveway which leads to the garage. Side access is also available to the right hand side.
