Description

Plot 3 Little Worsham Farm Barns forms part of an attractive complex of period farm buildings that are under going conversion into five individual properties offering varied layouts over one or two floors, all adjoining open countryside. The properties all benefit from all the latest refinements with high levels of insulation, warm roofs with air source heating and under floor heating to the ground floor and luxurious fixtures and fittings, fully fitted kitchens and luxurious bathrooms. Much of the original detail of the barn has been retained with attractive brick work with blue headers and some flint work. The roof is newly tiled and highly insulated and plot 3 enjoys an area of garden at the front which is hedge enclosed with a pathway to two parking spaces and to the rear, a large level garden with patio and newly planted hedge enclosure.

Although at the end of long farm track, the barns are located only a short distance from the town of Bexhill with its range of amenities, station and seafront promenade.
