The Rental Process

1. We find you a property you would like to rent.
2. A one week holding deposit is paid if you wish to make an offer.
3. If the offer is accepted and dates agreed the deposit will come off your final move in costs. If the offer is not accepted or there is a problem with referencing the holding deposit would be returned to you immediately minus the referencing cost.
4. Referencing is carried out - the annual rent will need to be covered by 2.5 times your income (combined of all tenants on the contract). Employment reference, previous landlord reference and credit check. If you are a student or are overseas based or don't cover the required criteria a UK based guarantor will be required.
5. The contracts are drafted and signed prior to move-in as well as the remaining deposit, first month's rent, admin charge, and referencing.
To see costs and fees please visit www.absoluteliving.co.uk.
6. On the day of move-in we will go to the property with you and 'check you in' taking meter readings and handing over keys. If there is an inventory you will have 14 days to check all the details before signing and returning to us. The 'tenancy deposit certificate' will be signed by you and kept on file.
