Property Description

The property was built in the early 1970's and has since been extended. The current vendors have completely refurbished the property with tasteful, modern, finishes throughout and the home centres around a substantial, open plan kitchen/dining area which spans the entire rear elevation. The accommodation comprises a formal living room, open plan kitchen dining room, utility room and cloakroom to the ground floor, with three bedrooms and a family bathroom to the first floor. The kitchen offers a wealth of fitted cupboards including a generous centre island layout and two of the bedrooms benefit from built in furniture. Furthermore, the home has gas fired heating throughout and is entirely double glazed.

Gardens and Grounds

The front garden is laid to a kept lawn with a brick built surround and the driveway is block paved and suited to three vehicles. There is an attached single garage with an up and over style door and there is gated pedestrian access to the right hand side of the property. The rear garden is entirely laid to a kept lawn with a paved patio area adjoining the rear elevation, and the boundaries are clearly defined by a selection of closed panel fences.
