*** Vendors comments *** " This flat was the biggest, and brightest one-bed flat I found on my property search and, since moving in, it's become an amazing home for us. Having a huge common on the doorstep while being in Zone 3 for an easy commute to work has been brilliant. When I moved to working from home I was so pleased to have a separate workspace with amazing views of the common, it meant I never felt like I was living and working in the same space....."
