KEY FEATURES:

This fabulous terraced cottage boasts an abundance of charm, and bespoke fixtures throughout. Period features include some exposed floorboards, wooden beams and stonework, arched windows and front door. The property is tucked away at the end of a driveway for two cars, timber garage and path, leading to the attractive landscaped gardens which open out to a deceptively good size plot containing well kept raised beds and recently brick paved pathways/patio. Buyers in search of a low-maintenance entertaining space will be as well catered for as those more green fingered, with a greenhouse providing facilities for planting and external storage cupboards for tools and outdoor furniture.

The property can be entered via the main arched entrance door, opening to a vestibule before leading to the spacious and naturally light sitting/dining room which also features a bespoke fitted bookcase and open fireplace. Both internal and external access doors open into the fantastic kitchen, which boasts a comprehensive range of hand crafted solid wooden units with granite worktops and a Belfast style sink over. Stunning flagstones adorn this room's floor, and there are spaces for appliances such as a fridge/freezer, washing machine and Range style cooker, while a dishwasher is already integrated. Completing the ground floor is the stylish bathroom fitted with a three-piece suite including roll top bath, wash basin and WC. On the first floor, you'll discover an exceptionally large landing area, fitted with a wide range of fitted full-height storage cupboards and offering plenty of additional space for a desk and study area. From here there is access to two generous double bedrooms. In person viewings are actively encouraged to fully appreciate the character and space this charming property offers.
