Montemares Villa 7 La Manga Club

£940.000

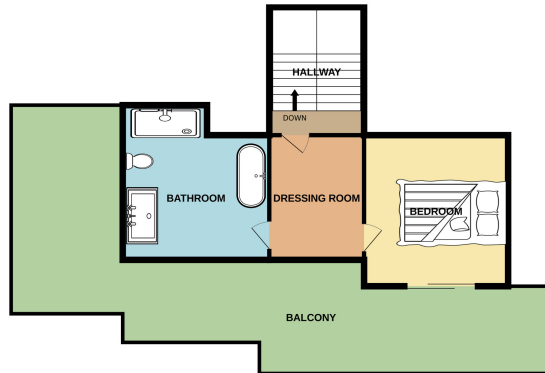

When you pull through your electric gated entrance into a large parking area and access to the double garage you will feel the privacy enjoyed by this well maintained and established property. Built over three levels with marble floors in the main living areas and the kitchen and multiple bathrooms finished with ceramic sandstone floor tiles. Windows doors and exterior shutters are in a dark green aluminum which complement the exterior architecture. The large swimming pool is surrounded by sun terraces and lawn and is secluded. However, it is just a short stroll to the many bars and restaurants in La Manga Club. Internal viewing is essential to appreciate this large palatial villa constructed in 2001.
