1-2 Warren Cottages Headcorn Road, Sandway, Kent. ME17 2PD.

£745,000 Freehold

Property Summary

"What I really like about this cottage is the flexible arrangement of rooms on offer and the attractive 65ft garden to one side leading to the 40ft tandem garage". - Philip Jarvis, Director.

1-2 Warren Cottages were originally two ragstone cottages believed to date back to the first half of the nineteenth century. They have now been converted to one larger cottage and with an extension to one side offering well proportioned accommodation arranged over three floors.

The current owners have spent much time and effort in developing the cottage into a most comfortable home that is being sold with no onward chain.

Downstairs there are four reception areas to include a dual aspect sitting room, 17ft dining room, study and conservatory. Added to this there is a kitchen/breakfast room and utility cloakroom/area.

On the first floor there are four double bedrooms including the master bedroom with an ensuite bathroom. In addition there is a most useful hobbies room/further study area leading to the fifth bedroom/attic room on the second floor.

The cottage sits on a generous sized plot with the gardens predominately found to one side of the property. The gardens are laid mainly to lawn with two shingled parking areas, one next to the property and other found to the front of the 40ft garage.

The cottage is found in the Hamlet of Sandway between Lenham and Platts Heath. Lenham is only a short drive in the car and offers a full range of amenities to include two schools and a railway station. The M20 motorway is approximately five miles away.
