Property Description

The home sits at the head of this quiet cul du sac and boasts an elevated rear aspect that provides views towards Canford Magna and beyond. The accommodation currently offers a traditional layout which offers three double bedrooms, with the principle bedroom benefiting from a recently completed en-suite shower room. There is a generous family bathroom and an open plan lounge dining room with open fireplace and modern solid wood fitted kitchen, featuring Rangemaster duel fuel cooker and hood. The living area takes full advantage of the elevated rear aspect and there is a small balcony with steps down to the garden, as well as a large sun terrace which is ideal for alfresco entertaining and benefits from the views towards Canford. We are of the opinion that this area also holds scope for the home to be extended (STPP) and it would have the ability to create a split level home, ideal for families. The home was entirely re-glazed in 2014 and benefits from gas fired heating.

Gardens and Grounds

The front garden is laid to a kept lawn and a block paved driveway, suitable for several vehicles, drops down the left hand side of the property and in turn gives access to the attached double garage with an electronically controlled roller door. The garage offers power and light and there is access to the storage area, which extends underneath the bungalow accommodation. The garden flows from the front of the home around the left hand side of the garage to a lower section of lawned garden. There are ornate steps and pathways which lead across the rear of the property and up to the balcony, accessed from the living room.
