The property itself is a charming Edwardian property which is bursting with character throughout and is perfect to be made into a long term family home. The property has been extended to the rear and into the loft and as a result boasts over 1600 sq ft of living accommodation. The ground floor comprises of an inviting porch/hallway area which leads into the family lounge. Originally two separate reception rooms, the current owners have opened this space up into a huge open plan lounge and dining area which is flooded with natural light due to the large bay windows to the front. The rear of the property is where you'll find the first extension, this extension has transformed the original galley kitchen into a huge 24 ft open plan kitchen/diner. This space is ideal for entertaining and to make this the "hub of the home". A full downstairs shower room completes the ground floor.

Upstairs The first floor is home to THREE good size double bedrooms and the main family bathroom. A second floor has been added and provides space for a FOURTH double bedroom which has access to the eaves for further storage. Also located on this floor is a store room which would be ideal to be converted into a potential fifth bedroom or additional bathroom.

Externally the property has a beautiful private rear garden which is mainly laid to lawn with a "sun trap" patio area and a decking space, both of which are ideal for those summer BBQ's. The rear garden also provides side access for the home.

The property benefits from a number of charming character features such as lovely high ceilings. The current owners have maintained the property extremely well and the home is ready for the next owners to move straight in.
