Chant de la Mer

Rue du Braye | St Pierre du Bois | GY79LW

It is not often a property in such a unique location is presented to the market. This beautiful detached home sits at Lihou headland and boasts stunning sea views and easy access to the beach below. Le Chant de la Mare is full of the character and charm you would expect in a traditional Guernsey cottage and while it is presented to the market in move-in condition, there is still the opportunity to further develop and extend. Accommodation is set over three floors and comprises a large lounge/diner, sunroom, kitchen, two double bedrooms, a snug/dressing area, a bathroom and a shower room. The tiered garden offers various areas to sit and enjoy the sunsets while also providing space for playing, gardening and al fresco dining, including a large summerhouse which has often been used as an extra entertaining space. There is parking for three/four vehicles and the Lihou car park is next door. This property is simply stunning and set in a highly desirable position. It is a house that needs to be viewed to truly appreciate what is on offer.
