Owner's View

Unique opportunity to acquire a much loved family home which can be classed as two properties in one. The main house and the annex are both spacious and self contained with own separate kitchen and bathroom and a separate office with toilet and shower facilities. The annex is essentially a separate bungalow which has the potential to be reverted back to a business or retained as residential. The opportunities surrounding the annex range from personal use, business use, gym, Air B&B, extended family use or any other fitting need. The property also has the potential to be split into two properties with separate deeds subject to the planning permissions and any relevant process. The property is also close to either primary schools in Bessacarr and walking distance to local shops and Lakeside. Being a corner plot the garden is very private and not overlooked.
