About the Property

'The Boathouse', is a stunning waterside residence with an enviable position in Poole Harbour moments from Sandbanks beach and Canford Cliffs Village.

Our clients have created a classic, yet contemporary home by way of interior styling and the introduction of an open plan lifestyle room that captures the outstanding views. The redesign of the accommodation truly enhances the Long Island 'Hamptons' appeal of the property, making this home an ideal coastal retreat.

The faultless accommodation is arranged over three levels with a design that allows the water views to be enjoyed from all floors. The owners' and secondary bedroom suite occupies the entire top floor of the property. This arrangement organically presents a degree of separation to both guest bedrooms, which are located on a separate level, ideal for when guests or family are visiting for extended stays.

Sun terraces with water views can be accessed from all floors and not only do they provide stunning water views, they also enjoy a degree of privacy rarely found with waterfront living. The landscaped garden has a large terrace which is ideal for grand scale entertaining. The external terraces are perfectly positioned to enjoy the incredible views whether at sunrise or during the famous Poole Harbour sunsets.

Unusually for a waterside home 'The Boathouse' has excellent parking with guest parking for vehicles at the front of the house and a large detached double garage to the rear of the garden. The garage is accessed via a private lane connecting to Shore Road.

No stone has been left unturned in this beautiful home. From new roof tiles and fascias to composite decking laid on natural 'Acoya' balcony structures, an environmentally friendly hardwood alternative that has a 50 year guarantee in marine environments, and a contemporary hand-built kitchen by Kitchen Kraft of Poole, this home exudes quality throughout.

In our opinion this exceptional property is ideal as either a main residence or second home, and we feel it truly embraces the very best of South Coast living.
