Upon entering Lavender House, you are immediately welcomed by an atmosphere of luxury and refinement. To your right, the family room exudes warmth with its log burner set against exposed brick, framed by patio doors leading to the rear garden, and a bay window offering views to the front. Adjacent to this space is a cozy snug, featuring rear aspect views and an integrated surround sound system, perfect for creating a home cinema experience. The front-facing home office is generously proportioned, offering ample space for productivity. The true centerpiece of the home is the bespoke kitchen, designed with a large central island and an electric Aga. Additionally the property benefits from an additional oven and also induction hobs under a wooden protective cover. This hand-built and custom-painted kitchen includes top-of-the-line amenities such as an integrated dishwasher, Quooker tap, quartz countertops, a spacious wine fridge, and an integrated fridge. A standout feature is the double-doored larder and tea-making station, offering both style and functionality. Off the kitchen, you'll find a well-equipped utility room, complete with a dishwasher, and space for washing machines, and dryers, as well as ample hanging space. The ground floor is completed by a conveniently located WC.

Ascending the chandelier-lit staircase, you are greeted by a large picture window that floods the first floor with natural light. The principal bedroom is a highlight of the property, featuring a dressing room with hand-painted bespoke Heritage wardrobes and a dressing table with stunning frontal views. The luxurious ensuite offers a walk-in shower, Jacuzzi bathtub, toilet, basin, and the comfort of underfloor heating. Bedroom two is also a suite, with an ensuite that includes a bath, shower, toilet, basin, and underfloor heating, along with a walk-in wardrobe. Bedroom three enjoys rear aspect views and a suite with underfloor heating. While bedrooms four and five, also rear-facing, share a spacious family bathroom with underfloor heating just across the hall. This bathroom features a freestanding Fired Earth bathtub, walk-in shower, toilet, and basin.

The property's exterior is equally impressive, with a meticulously landscaped south-facing rear garden. The garden boasts a large patio on its eastern side, perfect for a Jacuzzi area with Sonos speakers. Additionally, there are two converted stables currently utilized as a gym and sauna, along with a storage shed. The front of the property includes a double garage and parking space for numerous cars, with a driveway crafted from Sureset resin.
