INTRODUCTION

Oakapple Homes have pleasure in bringing you Towers Court, an exclusive development of 14 apartments in the heart of Jesmond widely regarded as the most fashionable suburb of Newcastle. Conveniently located for access to the city centre, Jesmond offers an eclectic mix of boutique shopping, dining experiences, nightlife and vast open spaces all which combine to provide the rare opportunity to enjoy city living with a village vibe.

Apartments come in a range of sizes with one, two and three bedroom units available. Regardless of the size of apartment you chose, you will find a property finished to an impressive standard boasting high gloss kitchens, integrated appliances, contemporary bathrooms and recessed LED lighting. On site parking is available to all units supplemented by visitor spaces and "pay as you go" electric vehicle charging points.

The scheme sits in landscaped grounds bounded by mature trees. All ground floor units have either a private garden or external space. Many of the upper floor apartments benefit from terraces and a communal garden area is available for use by all residents. The Oakapple Team are excited by all that this scheme has to offer and we hope that having discovered Towers Court you share our enthusiasm.

LOCATION

Situated 3 miles north of the city centre, Jesmond is a cosmopolitan suburb home to excellent restaurants, independent shops and popular bars. It is equally bounded by an abundance of open space with easy access to the renowned Jesmond Dene and Town Moor parks.

Jesmond Dene is at the core of Jesmond life known for its landscape which encompasses waterfalls, woodland and wildlife. Its network of paths many of which sit alongside the River Ouseburn is popular with dog walkers, recreational runners and those simply seeking tranquil time away from the city environment.

Retail life is centred on Acorn Road, Brentford Avenue and Clayton Road. Here you will find everything from boutique shops offering luxury goods and unique products through to popular high street lifestyle and fashion brands. Interspersed amongst this variety is an extensive choice of bakeries, cafes and coffee shops offering the tired shopper welcome respite.

Osbourne Road is at the focus of Jesmond's nightlife. A popular and lively run, Osbourne Road is home to

some of Newcastle's most well known bars and restaurants. The choice of cuisine is typically wide ranging with fine dining, burgers and Asian food all readily available. The bar offering is also expansive with cocktails, outdoor areas and live music all on the menu.

Jesmond is also ideally situated for access to the Metro system and is served by three stations. Towers

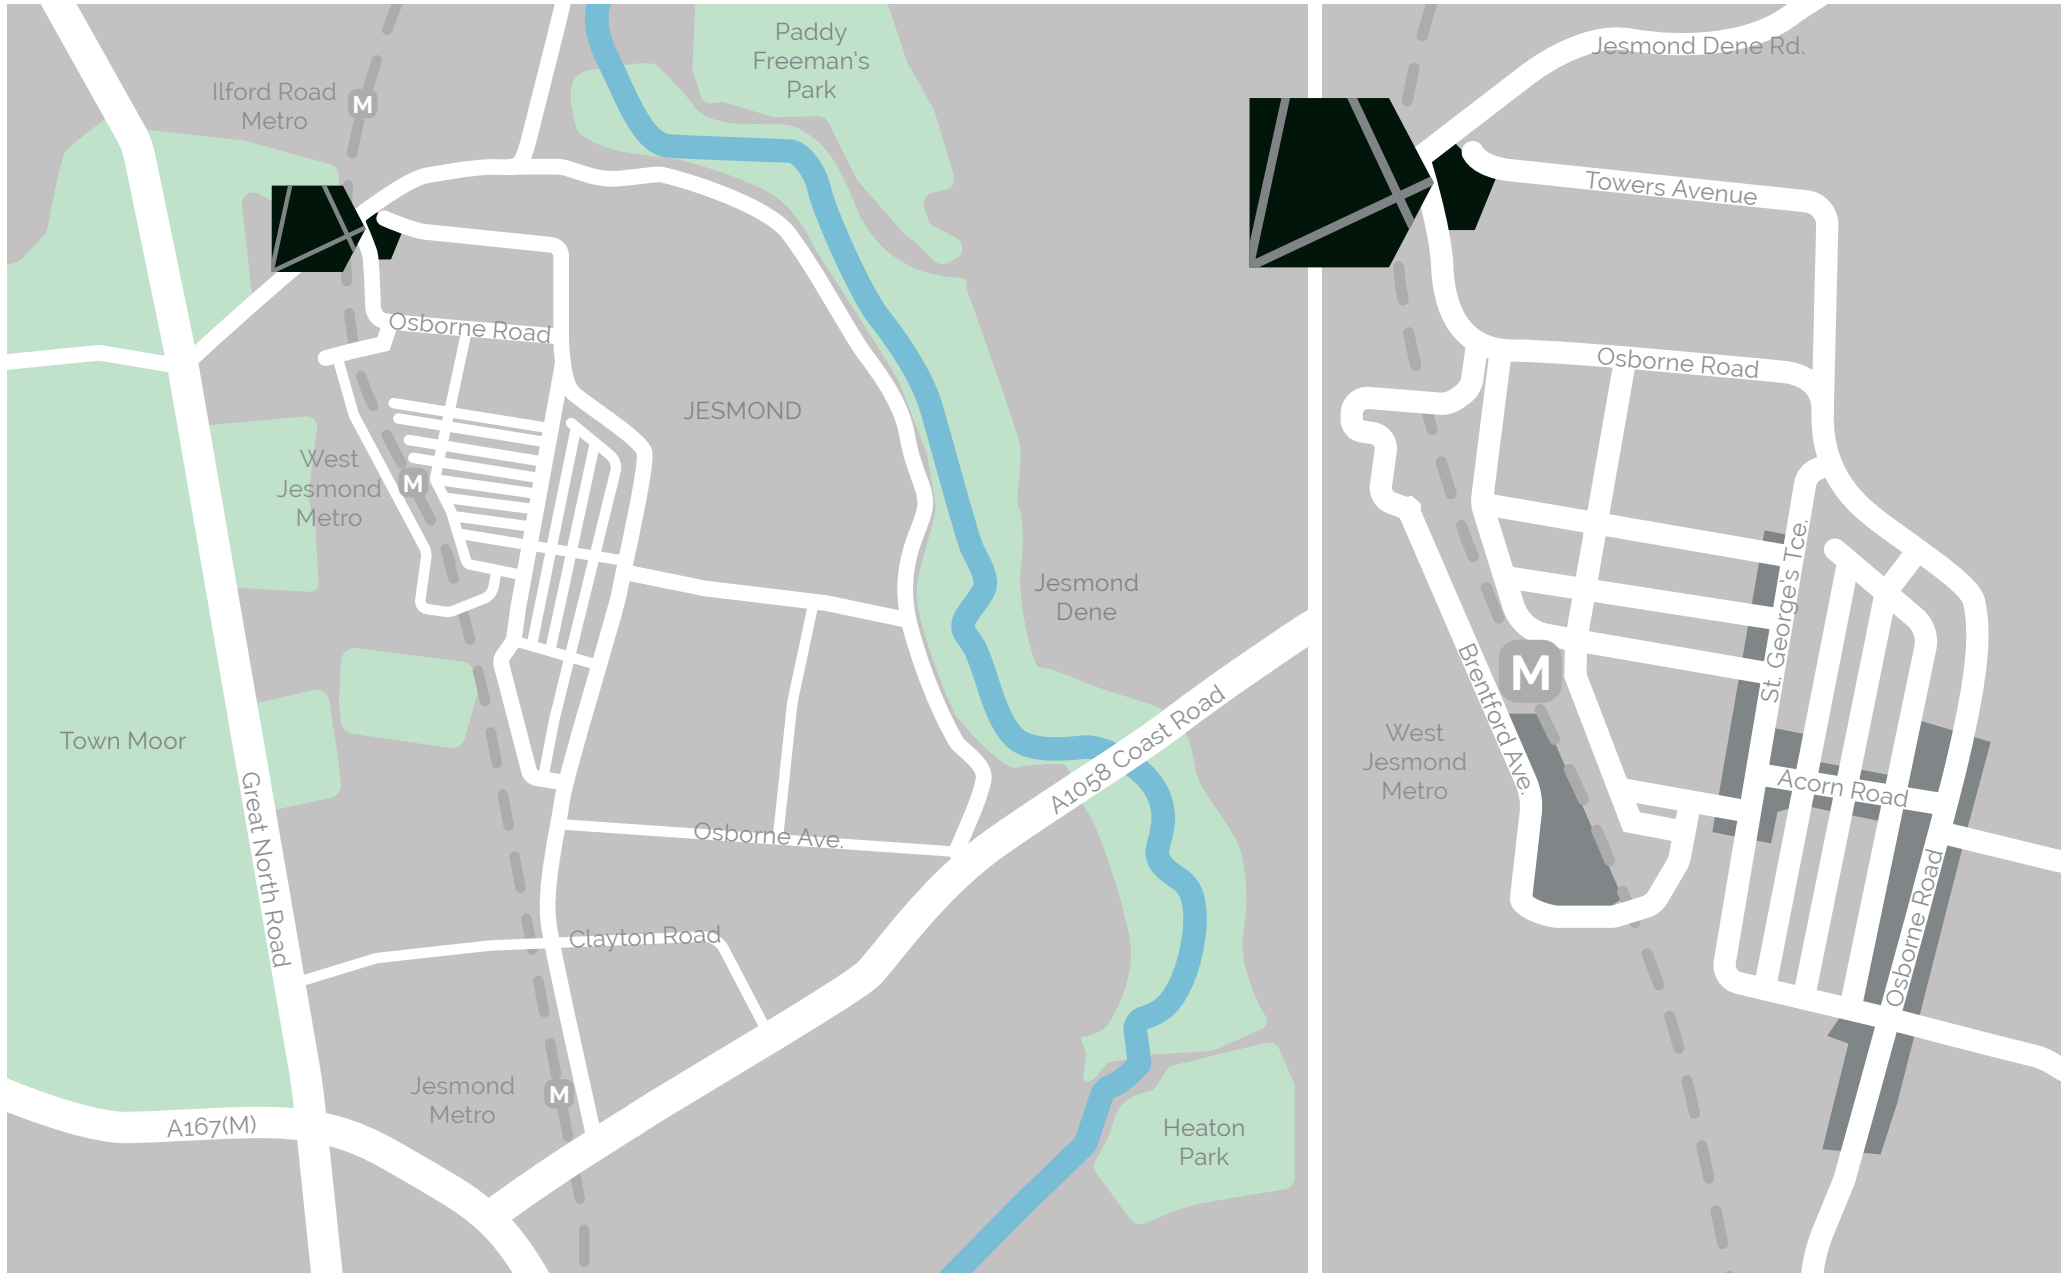

Court is equidistant between two of these with West Jesmond and Ilford Road both within a 10 minute walk. Each of these stations operate regular services into the city centre which can be reached from West Jesmond in 6 minutes and Ilford Road in 8 minutes. The Metro also runs services to the Airport (18 minutes) and coast (25 minutes).
