Longue Rue | St Saviours | GY79QW

This detached chalet bungalow sits in a quiet area in the St Saviours lanes, just inland from west coast beaches with restaurants, kiosks and shops all within walking distance. Although habitable it is in need of major refurbishment and while the property offers spacious, well-proportioned rooms there is huge potential to rearrange the accommodation, reposition the roof for better sea views and to also extend if required. Crossways provides an amazing opportunity to create a wonderful family home in a prime location. Current accommodation comprises lounge, dining room, kitchen, four double bedrooms, utility room, bathroom and WC. To the rear of the property is a large, west facing garden completely laid to lawn aside from a patio area by the back door and a workshop/outbuilding. In addition to the single car garage, the tarmac driveway to the side provides parking for several vehicles.
