£425,000 Freehold

Flawlessly finished with exquisite attention to detail, this beautifully refurbished Edwardian semi-detached family home is truly delightful and has been sympathetically finished to a very high standard throughout. There has been a back-to-back refurbishment, including a new roof, along with a clever alteration to the ground floor layout which has resulted in a superb-sized family dining kitchen with integral appliances and quality fitments throughout. The first floor boasts three good bedrooms, and again the clever creation of a luxury en suite shower room to the main bedroom, and the family bathroom is beautifully finished with quality sanitaryware. The refurbishment has included brand new central heating, rewiring, plastering throughout and replacement switchgear sockets, all with a running brushed brass theme throughout. The convenient town centre location also has the unexpected benefit of both a garage and a gated driveway at the rear - a most useful feature given the central location. Lichfield city centre amenities, including the bus and rail stations, are within minutes walk, making this an ideal property to take full advantage of Lichfield's comprehensive shopping and leisure facilities. Available with no upward chain, an early viewing of this truly impressive family home is strongly recommended.
