

Nestled in the contemporary Nord Court in Northolt, this newly built one-bedroom first-floor apartment offers a modern and sophisticated living space. Designed with a high level of attention to detail, the apartment showcases high-quality finishings throughout, providing a luxurious and comfortable environment for its residents. The overall design and execution of the building reflect a commitment to excellence, ensuring a premium living experience.

The block of apartments boasts several desirable features that enhance the lifestyle of its residents. One of the standout amenities is the communal lift, which provides convenient access to all floors, ensuring ease of movement within the building. Additionally, residents can enjoy the communal garden space, a serene and well-maintained area perfect for relaxation and leisure activities. These communal areas foster a sense of community and offer an ideal setting for social interactions and outdoor enjoyment.

Inside the apartment, the kitchen and bathroom have been completed to a high specification, featuring modern fixtures and fittings that combine functionality with style. The open-plan kitchen and living room create a spacious and airy atmosphere, perfect for both entertaining and everyday living. The use of premium materials and contemporary design elements in these spaces underscores the apartment's commitment to quality and modern living.

One of the key features of this apartment is the Hive heating system, which allows for efficient and customizable climate control. This smart technology not only enhances comfort but also contributes to energy efficiency.
