

Oakwood Estates is pleased to present this exceptional three-bedroom home to the market. Designed to an impeccable standard, this property boasts bespoke fittings and fixtures throughout. One of its standout features is the breathtaking view across the surrounding woodlands, complemented by a gated entrance that leads to expansive open grounds. The home also includes three garages, with patios at both the front and rear, along with additional parking space for up to six or seven vehicles. Nestled within approximately three acres of private grounds, Laurel Court offers beautifully maintained gardens, secluded seating areas, and hidden retreats, providing residents with a serene and private outdoor space. Additionally, the property features its own private garden and patio—ideal for entertaining.

The home has been refurbished from top to bottom, including Italian tiles in the bathrooms and brand-new fittings and shower rooms. A MegaFlow system ensures that three bathrooms can have showers running simultaneously, and underfloor heating provides comfort throughout.

The open-plan kitchen and dining area have been thoughtfully designed for both family living and entertaining. It features a German kitchen with a book-line quartz island and splashback, a hot water tap eliminating the need for a kettle, and a water softener with a dedicated drinking tap. The rear bifold doors have been fully extended, seamlessly connecting indoor and outdoor spaces.

The first floor houses the impressive 16ft master bedroom, complete with an en-suite, walk-in wardrobe, and access to the flat roof, which has approved planning permission for an extension.

The second floor comprises two further 16ft double bedrooms, both with fitted wardrobes, along with a spacious family bathroom.

Other key features of the property include a completely replaced staircase with 1-meter steps, unlike the standard townhouse design. Newly fitted windows at the front, maximise the stunning views. CCTV system for added security.
