PROPERTY DESCRIPTION

Nestled in the heart of the Semi-Rural Village of KIRBY LE SOKEN and being offered with NO ONWARD CHAIN, My Moving Places has the pleasure of bringing to market this THREE BEDROOM SEMI-DETACHED CHALET HOUSE. This property does require modernisation with many original features still intact from its build in the late 1960's. Internally you step through a Generous Sized Porch into the Lounge which has large windows making it a very warm and bright room. Through the Inner Hall is access to the Kitchen, Bathroom and Bedroom Three. Bedroom Three is rear facing and could also be used as a Second Reception Room. To the First Floor are Two more Bedrooms and Eves Storage. Externally, the wonderful positioning of this property means that you are not overlooked in the Rear Garden which is a Great Size and Well Stocked. To the Front is a Driveway leading to a Garage to the rear with the remainder laid to lawn. The ideal positioning of this home means you are in catchment to Kirby Primary Academy and Tendring Technology College, Close to Bus Links whilst still being set in a village location. In our opinion this home is an ideal project for someone wanting a versatile space in a village position.
