Situation

Callander Meadows, located in Callander is a popular tourist location occupying the eastern gateway of the Trossachs and Loch Lomond National Park on the Heart 200 tourist route. The A84 which leads through the town and in front of the business is one of the most important cross-country tourist routes leading from central Scotland to the Highlands. Callander is also a popular tourist base for those exploring the Highlands as well as a favoured weekend destination. Frequently referred to as a gateway to the Highlands, Callander retains a simple link to the central belt of Scotland being located approximately 14 miles from Stirling and offering easy access to Glasgow and Edinburgh city centres.

The town has a tourist feel, especially in high season which extends from Easter to October, with the streets bustling with day-trippers, holidaymakers and those passing through the town attracted by retail amenities as well as the countless walks in the area. Located 3 miles from Bracklinn Falls Bridge and 4 miles from Loch Rusky. Callander is also a central location for exploring further afield including Loch Katrine and Loch Lomond, with a choice of fourteen Munros located within an hour's drive and both the Highland towns of Fort William and Oban within a 90-minute drive from Callander.

This is an exceptional opportunity to acquire a long-established business in a thriving town full of independent operators. The business can be taken in a number of different directions by new owners who could concentrate on either a restaurant, bed and breakfast of a restaurant with rooms. Fully licensed there is no doubt that Callander Meadows will benefit greatly from its south facing garden and proposed beer garden and seating area. Early viewing is highly recommended to appreciate the opportunity that is available.

Business

Callander Meadows has been run by the current owners for over 18 years and in that time have built up an excellent reputation for quality British food cooked from seasonally available locally sourced produce. It is an exceptionally popular retreat for both locals and visitors to the area. The current owners have had extensive careers in the hotel and hospitality sector working in numerous 5 Star establishments. They are assisted by part time staff on an ad hoc basis as and when required.

There are 2 dining rooms which in total can cater for 46 covers. As a result of the Covid 19 Pandemic the current owners have successfully opened permanent shelter in the beer garden; allowing customers to eat and drink outdoors. The premises license has also been amended to benefit from the current situation and change in eating and drinking habits. At this time Callander Meadows will benefit from having one of the only beer gardens in the town, which leads directly onto the National Cycle Route 7.

Under normal circumstances the business operates as both a restaurant, open to residents and non-residents and a bed and breakfast. There are 4 En-Suite letting rooms with prices starting from £95 to £130 per night based on a minimum of a 2-night stay.

This is an easily managed and well-run business that enjoys much repeat custom. The establishment maintains a consistent trade with a strong turnover while the property is in immaculate condition throughout, new owners will be able to commence immediate trading and benefit from a healthy income and strong demand for holiday accommodation.
