Owner's View

It's a great location-a quiet street without through traffic in a good neighbourhood. It's a very practical family home-two living rooms are ideal for families with older children. There's a bathroom and a separate shower room, three good sized bedrooms, built-in wardrobes and cupboards, a spacious conservatory and a sheltered, south-facing rear garden. Plus a single garage (large enough for a Nissan Qashqai) and additional off-street parking space.
