This three bedroom, semi-detached property has generous gardens, offering fantastic potential to extend (subject to planning permission), with an open aspect to the rear, driveway and garage. The double glazed and gas central heated accommodation is in need of some modernisation and briefly comprises entrance hall, dining lounge with gas fire and patio doors to the rear garden, kitchen leading to the garage with plumbing for a washing machine, two double bedrooms, single bedroom/study and wet room. Low maintenance lawned front garden, driveway providing parking for two vehicles leading to the single garage, and generous lawned rear garden with flagged patio and an open aspect. The property would make an ideal family home with potential to extend both above the garage or to the rear of the property (subject to planning permission).
