ACCOMMODATION:

At the front elevation, the main entrance door opens into an entrance hall with doors leading to the kitchen, cloakroom and the main living area. The cloakroom is equipped with WC and hand wash basin as well as a front aspect obscure-glazed window. The kitchen is well-proportioned with a range of base and eye level units, and integrated appliances include a fridge/freezer and electric oven and hob with extractor over. A washing machine is also included. The main living/dining area is well-proportioned with stairs leading to the first floor landing as well as French doors leading out to the spacious conservatory and garden beyond. The conservatory provides fantastic additional living space to the property and could easily be utilised as a dining room if required.

To the first floor there are two reasonable sized double bedrooms and a family bathroom equipped with a WC, hand wash basin and a bath with shower over. The landing also provides additional storage in the form of an airing cupboard.

OUTSIDE:

To the front of the property there is some planting and parking for at least two cars. The current vendor has utilised some of the space to the side of the property to provide an additional area for garden pots etc. The rear garden is very nicely landscaped to provide low and easy maintenance. A nicely sized patio area is ideal for outside entertaining in the summer months and gets a good deal of evening sun.

SERVICES:

Mains electric, water and drainage are connected, and LPG-fired central heating is installed. The property is currently banded B for council tax, within Somerset Council. Ofcom's service checker states that external mobile coverage is likely with four major providers, whilst Ultrafast broadband is available in the area.

LOCATION:

The property is located at the heart of the village close to footpaths and cycle trails. Cossington itself is a picturesque Polden Village approximately 10miles west of Street and 5miles from Bridgwater. The village benefits from a

pub, modern village hall and is just a 5 minute drive from a large convenience store/post office and health centre in nearby Edington. Both Street and Bridgwater have all the usual shops and facilities one would expect, plus colleges for tertiary and vocational education. Street is the home of Millfield Senior School and Clarks Village. Cossington has historically fallen within Street's Crispin school catchment area. Junction 23 of the M5 is approximately 5miles away, making Taunton, Bristol, Exeter and airports easily accessible, whilst there are rail stations at Bridgwater and Taunton.

AGENT'S NOTE:

Our vendor advises us that there is currently a £120 per year service charge for upkeep of communal areas within the development.
