*** Vendor comments *** "We fell in love with the house, because of its potential. It is warm, inviting and welcoming from the first steps into the front door. We knew instantly it was going to become a great home for our family. This has been a wonderful family home for us over the past 20 years. We instantly fell in love with how spacious it was, the large kitchen allows to have our family meals and share stories over the dinner table. The kitchen became the heart of the home for us, to feel safe and warm and build many memories. Our favourite room in the house is our living room, a very warm and cosy room to sit and enjoy time with our children, grandchildren and friends. Not to forget the wonderful garden parties with our pizza oven and BBQ, these have been a favourite with all. We have been fortunate enough to have these facilities in our garden and the space to plant our own passionfruit, fig, grape, lemon, strawberry and rosemary trees".
