Property Description

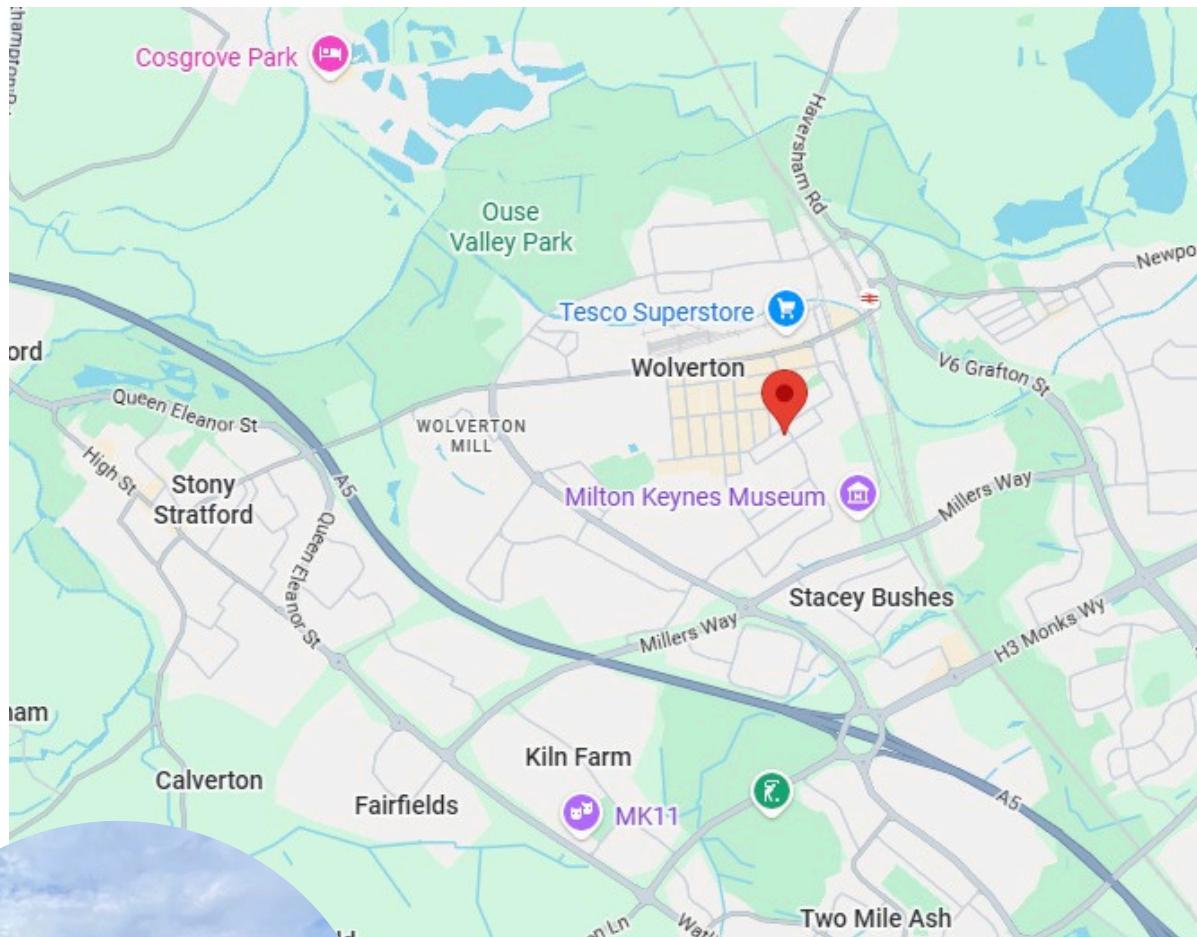

Thomas Connolly Estate Agents are pleased to offer this three-bedroom period home in the heart of Wolverton, presenting an excellent opportunity for buyers seeking a property with scope for renovation and personalisation. Set within one of Wolverton's character-filled Victorian streets, the home sits close to local shops, cafés, green spaces and the mainline railway station, making it ideal for commuters and families alike.

The entrance hall leads into a full-depth sitting/family room, offering an impressive and flexible living space with original character features. To the rear, the property opens into a large kitchen/dining area with direct access to a utility room and a ground-floor WC. The layout provides an excellent foundation for modernisation or extension (subject to relevant permissions), giving new owners the chance to create an exceptional open-plan living space.

Upstairs, the first floor includes three bedrooms of generous proportions and a shower room. While the home is in need of updating throughout, the room sizes and original features provide a strong base for a beautifully restored family home.

Externally, the property benefits from a private rear garden with plenty of potential for landscaping, outdoor seating, or future improvements. Wolverton remains a highly desirable location, offering well-regarded schools, a thriving high street, and superb transport links including direct rail services to London and the North. Local parks and river walks are also close by, adding to the appeal of the area. A fantastic renovation project for those looking to add value and create a home tailored to their style.
