Lantarna, The Pinnock, Pluckley, Ashford, Kent. TN27 0SP.

Offers in Excess of £900,000 Freehold

Property Summary

"The attention to detail is quite fabulous within this individual piece of architecture". - Mathew Gilbert, Branch Manager.

Lantarna is a wonderful property that was built by the current owners approximately seven years ago, in the sought after village of Pluckley. This beautiful village has a very active community which offers a public house, shops and tennis courts. There is also a mainline railway station to London Bridge. For a wider range of amenities the larger villages of Headcorn, Lenham and Charing are found nearby.

The property is configured to include a most impressive entrance hall, open plan kitchen/living/breakfast area, formal dining room, utility room, shower room with zen garden and a further reception room, that is currently being used as an office but could be used as a double bedroom. The vast amount of windows throughout really emphasises the space with floods of light reaching throughout the home.

As you approach the first floor you are met with a galleried bridge that leads to a spacious snug area. There is a master suite to the left of the landing that offers a large double bedroom with a walk dressing room, ensuite bathroom and sun terrace overlooking the rear garden. There are also two further double bedrooms both with built in wardrobes and ensuites.

Externally there is a tasteful large brick block driveway for numerous vehicles as well as a landscaped garden to one side with a concealed bin store.

The rear garden area offers so much functional space with a well thought out design to include a secluded dining area, relaxation decking tier and a lower section with feature waterfall and heated plunge pool.

They say a picture paints a thousand words but with Lantarna this simply is not the case. An internal viewing comes highly recommended to appreciate what truly is on offer.
