The Property Continued...

An office (formerly the larder) is set off the kitchen and a dining area leads on to a utility room and original pantry. Stairs from the dining area lead up to the owners accommodation.

The main staircase leads to the first floor landing providing access to three generous ensuite bedrooms.

An inner landing with airing cupboard/linen storage draws a distinct line between this guest accommodation and the private quarters of the owners, comprising a single bedroom, a well-appointed family bathroom with shower cubicle, bath with shower attachment, sink and w/c with built-in vanity units, tiled flooring, heated towel rail and and several windows, including Veluxes, bringing a great deal of light into the room.

Bedroom three provides an enormous amount of storage with fitted cupboards, wardrobes and drawers, with window to side elevation overlooking a neighbouring paddock owned by the Forestry Commission. A second set of stairs lead down to the kitchen.

Grounds & Gardens

There is ample off-road parking in front of the garages, numerous outbuildings and storage areas. The private part walled rear garden has a patio and is laid to lawn. Currently, there are several chicken coops, a wood store, tiered seating area and a well.

There is a detached double garage and workshop with electric doors, and a hobby room/home office above with generous eaves storage, separate w/c and hand wash basin. At the rear of the garage is a large study and en-suite shower room with shower, w/c, sink and under-floor heating.
