Area Information

Glenfield Road is a quiet road with no passing traffic on the outskirts of Dover. It is an ever popular residential street positioned just a short distance from a range of local amenities and transport links.

Dover is a major ferry port town and faces France across the Strait of Dover, the narrowest part of the English Channel. It is home of the Dover Calais ferry through the Port of Dover and is famous for both its White Cliffs and the historic Dover Castle.

Dover’s main commuting roads are the A2 and A20, connecting the town with Canterbury and London. Fast link trains run from Dover Priory to London St Pancras International stations and Ramsgate.
