- 2 Double Bedroom Flat
- Gated Development
- Share of Freehold
- Garage
- Long Lease
- No Chain
- Convenient Location

A larger than average 2 Bedroomed Purpose Built flat in Shortlands, located in an idyllic tree lined road in a well maintained and sought after gated development and offered to the market in good condition and with NO ONWARD CHAIN.

The property has been recently updated in parts and needs to be viewed internally to fully appreciate the overall quality and size of accommodation on offer. In our opinion this property is ideally suited to the first or second time buyer, the buy to let investor or to those who may be downsizing.

This property will appeal to the commuter with bus services close by and Shortlands station just a short stroll away offering regular services to Central London and the West End via London Victoria and The City via London Blackfriars. Similarly, local shops are within easy reach in Shortlands Village and both Bromley and Beckenham Town Centres are within a 10 minute drive. With well over 400 retail units to choose from, Bromley is one of the most extensive shopping centres in the region. The Glades Shopping Centre boasts over 130 stores alone, St Marks Square at Bromley South offers additional leisure and dining units including a cinema complex.

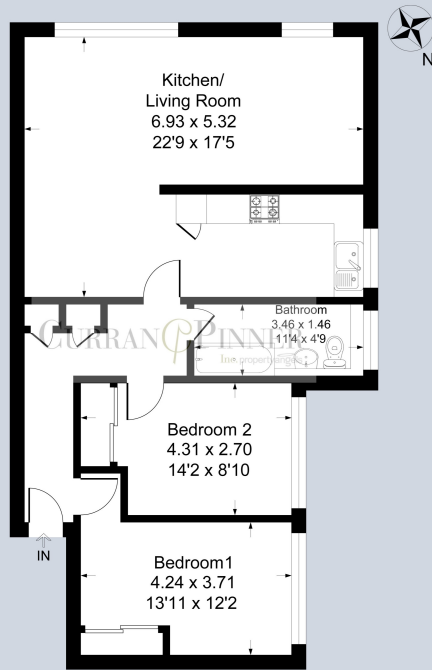

The property is offered with a Share of Freehold tenure and unexpired lease term of 977 years together with a very reasonable service charge in comparison to other offerings within the Borough. Set within secure, mature and well maintained communal grounds, the property includes garage en bloc, parking outside garage and visitors parking space.

The property benefits sliding double glazed windows throughout. Located on the ground floor the property features a spacious entrance hall with security entry phone and two well proportioned storage cupboards. This flows superbly to the rear of the property and opens up to the naturally well lit, 22'9" x 17'5" living / dining room and open planned to the well equipped kitchen offering a range of matching wall & base units, integrated appliances, wooden work surfaces and a storage cupboard.

Both bedrooms are genuine doubles overlooking the communal garden, the modern partially tiled bathroom incorporates a white suite with shower over bath and heated towel rail.

In our opinion, this outstanding example is likely to attract immediate and significant interest
