

Set back on a generous plot with ample driveway parking, this detached five-bedroom home is located on a popular residential road in Ascot. With over 2,000 sq ft of flexible internal space, the property includes a self-contained annexe suitable for independent living or home office use. The main house offers well-proportioned rooms and a private rear garden. There is further potential to extend to the rear (STPP), making this a versatile long-term home with excellent scope.

The ground floor offers a versatile and well-proportioned layout, ideal for both family living and entertaining. Upon entry, you are welcomed into a spacious hallway that connects the main reception areas.

To the front of the house, there are two generous reception rooms. One would work well as a formal sitting room with a large window allowing natural light to flood in, while the second reception room could function as a family room, or even a formal dining area.

The kitchen/dining room is located towards the rear, offering a large open-plan space that serves as the heart of the home. It leads directly into a bright and airy conservatory, creating a seamless indoor-outdoor connection to the rear garden — perfect for family meals or entertaining guests.

Also on the ground floor is Bedroom 5, a well-sized double room positioned next to a shower room, making it ideal for guests, live-in relatives, or as a home office if preferred. This practical addition adds to the home's flexibility for multigenerational living.

The first floor hosts four well-proportioned bedrooms and three ensuite bathrooms. The principal bedroom benefits from an en suite shower room and a dedicated dressing room, offering a luxurious and private suite feel.

Bedroom 2 and Bedroom 3 are both generous doubles, with Bedroom 3 benefiting from a bay window Bedroom 4 is a comfortable single or study space, perfect for a child's room or home working.

A well-appointed family bathroom services Bedrooms 2–4, and all rooms are connected by a central landing.

To the rear of the garden, laid mainly to lawn with a patio area, sits a substantial detached outbuilding measuring over 9 metres in length. Currently used as storage, this space offers excellent scope for conversion into a home office, studio, gym, or hobby room, subject to any necessary consents.
