Property Description

Welcome to this fabulous three bedroom detached bungalow nestled in the peaceful and sought-after village of Upper Stondon. Perfectly blending comfortable living with the tranquillity of countryside surroundings, this delightful home offers an ideal retreat for families, retirees, or anyone looking for a spacious and comfortable home.

The property boasts an entrance porch which opens into the spacious entrance hall with all three well-proportioned bedrooms leading off the hallway with the superb shower room with contemporary fixtures and elegant finishes easily accessible to all bedrooms. The peace de la resistance of the fabulous home is the living space with a superb conservatory with doors leading into the garden and into the spacious kitchen which in turn opens into the comfortable sitting room.

The sitting room is a very welcoming space with a flame effect wall mounted gas fire and large bay window to the front letting in so much light, the kitchen is fully equipped with two built in ovens and a built in microwave, American style fridge/freezer with water supply and ice maker and a built in drinks cabinet, even has an aircon unit. The three rooms link in very well and provide great entertaining space or alternatively separate areas when required.

Outside, this property truly shines. The wonderful rear garden creates a private haven for entertaining and relaxation. Enjoy summer evenings in the log cabin with entertaining space and bar along with the beautiful, thatched garden hut to unwind beneath or soak away the day in the luxurious hot tub. All in all, a wonderful space for relaxing and making memories with family and friends.

A private driveway to the front provides ample parking for several vehicles on the blocked paved area with an established and well-maintained hedge to the front and a sliding gate to shut the world out.

Situated in the desirable village of Upper Stondon, the bungalow enjoys a friendly community atmosphere with local shops, a primary school, and countryside walks all close by. Excellent transport links include the A600, A507, A1(M), and M1 and nearby rail stations at Arlesey and Hitchin, providing convenient access to London and surrounding towns.
