GENERAL

A rare but exceptional offering to the marketplace with a modern 5 bed family home set within some 6 acres of high quality grassland with a modern range of outbuildings.

The house has potential to be split into a 3 bedrooms dwelling with side 2-storey annexe offering multi-generational opportunity or potential home with an income/Airbnb.

The plot sits in an elevated position enjoying outstanding views over open countryside and is set within a large garden and plot area.

To the side of the house is a designated track to the range of outbuildings which include a useful storage building and stable block and a multipurpose 60' x 45' modern steel frame building with side kennels and dog runs to the eastern elevation.

The land is generally split into 4 large paddocks set in a slightly elevated position with fantastic views over the adjoining countryside and mains water connection.

A great opportunity to secure a modern smallholding in a popular village location and viewings are encourages at the earliest opportunity.
