## About the Property

Upon entering Valentine Court, there is a communal hallway with an elevator rising to the second (top) floor. The apartment is the only one situated on this floor so there is a true sense of privacy when accessing the property and the lift is conveniently situated by the entrance door.

When entering the property, you are greeted by a large reception hallway which acts as the heart of the apartment. The living/dining room is a generous size and enjoys tree top views and direct access via sliding doors to a private balcony which has plenty of space for seating and dining.

The fitted kitchen/breakfast room has a comprehensive range of units which provide plentiful storage, a breakfast bar and range of integrated appliances.

Of particular note are the general sizes of the bedrooms as they are all more than comfortable double rooms. The principal bedroom has a large ensuite which includes a full-size bath, whilst the second bedroom has a convenient ensuite shower room. The third bedroom is also accommodated by a third shower room.

The development is approached through electrically operated gates and positioned discreetly behind the main building is the garage. The garage has an up and over door and extra length which allows for considerable storage. The grounds are surrounded with mature planting.

We feel this is a superb apartment that would make an ideal primary residence and we have no hesitation in recommending viewings.
