

3 Arden Road, Heme Bay, Kent, CT6 7DT

£550,000 Freehold

Kimber Estates are proud to offer this comprehensive family home located in a village location that is within walking distance of the sought after Heme Infant and Junior schools. The property was thoughtfully extended by the previous owners to create an impressive kitchen-diner that spans right across the rear of the house and now enjoys a fabulous and tasteful fully fitted modern kitchen complete with appliances. A generous reception hall gives access to a spacious lounge which leads through to the kitchen-diner, downstairs cloakroom, bedroom/office, shower room and a large utility room. To the first floor is the primary bathroom and four good size bedrooms. Externally, there is a delightful, sunny garden and ample parking to the front. In our opinion, there could be further opportunity to create an additional floor by extending into the loft (subject to the necessary consents). There is a regular bus service into the Cathedral City of Canterbury, popular Whitstable and pretty Heme Bay town with its lovely sea front, promenade and coastal walks. Perfect for growing or blended families, we would urge serious buyers to take the time and trouble to view internally as the space inside is impossible to appreciate from the outside.
