DESCRIPTION

A splendid three bedroom Victorian terrace house set on Burcott Road with gardens and private parking and offered with no onward chain. The property has been within the same family ownership for over 64 years, now would benefit from some updating and modernising but offers a fantastic opportunity to create a wonderful family home within easy reach of the city centre.

Upon entering the house is an entrance hall leading through into the central room of the house which has been used as the dining room with ample space for a table for six to eight people and also features a large storage cupboard under the stairs. The dining room has been opened up into the sitting room creating a lovely open plan room with the sitting room having a gas fire as the focal point and a lovely south facing bay window to the front. The kitchen comprises a range of fitted wall and base units with space for white goods and freestanding cooker. From the kitchen is a utility/lean to which provides further storage and provides access to the patio and gardens. The bathroom can also be found on the ground floor comprising a bath with shower overhead, toilet and wash basin.

To the first floor are three bedrooms, the largest of the three runs the width of the house and has fitted storage and a sunny aspect. A second double bedroom benefits from views overlooking the gardens whilst the third bedroom is a good sized single which could be used as a home office or converted into a bathroom, if desired.

OUTSIDE

The rear gardens have been designed to be low maintenance with a large patio, perfect for outside seating and entertaining, flower beds, a greenhouse, shed and

pathway leading to the parking area. The parking area is accessed from Balch Road and provides space for two cars. A passageway from the front of the house leads beneath the first floor and through to the rear garden.

LOCATION

The picturesque City of Wells offers a range of local amenities and shopping facilities with four supermarkets (including Waitrose), as well as twice weekly markets, cinema, leisure centre, a choice of pubs and restaurants, dentists and doctors, several churches and both primary and secondary state schools.
