Description

Situated within a lovely road in the popular Market Town of Wantage, is this spacious and versatile three/four bedroom semi-detached family home. Having been well maintained and improved to a high standard by the current owners, the property should be viewed internally to fully appreciate all the home has to offer.

On entering the property, the entrance porch gives access to the large dining room which provides ample space for a large dining table and chairs and leads through to the kitchen and the light and airy living room with 'French' doors onto the garden. The kitchen is complete with a range of wall and floor mounted cabinets with additional access onto the garden. Completing the ground floor accommodation is the garage conversion, which is currently being used as a bedroom complete with an en-suite shower room and own private entrance providing a rental opportunity, which is a great addition to the home. Additionally, there is potential to add a small kitchenette as all necessary ports, hot & cold water along with electricals are in place in the corner of the room to provide an annexe if desired. The first floor consists of landing, three generous bedrooms and family bathroom.

Externally, the enclosed rear garden is mainly laid to lawn with patio area which is perfect for outside dining and entertaining. To the front is a driveway providing off road parking for 2 vehicles and small frontage laid to lawn.

Furthermore, the property is well located within walking distance to local amenities, on the edge of the Willow Park Nature Reserve and catchment area to the well-regarded Stockham Park primary school.

The property is freehold and is connected to mains gas, electricity, water and drainage. There is gas central heating, uPVC double glazing throughout and an EICR completed in 2023.
