Low Road

Wretton , Kings Lynn, PE33 9QN

This new development of just 8 detached traditionally built properties are located in the semi rural village of Wretton which is between the towns of Downham Market, Brandon and Kings Lynn. Local builders EAM developments are currently working on this site and other ongoing developments in the area, EAM have got a proven track record for producing quality energy efficient new homes all with a 10 year warranty. The site benefits from being partly surrounded by farmland with many of the properties benefitting from these rural views as well as them enjoying generous garden space with either south or west facing aspects. All of the properties have driveways and either a single or double car port as well as quality UPVC double glazing and energy efficient air source central heating with underfloor heating on the ground floor and radiators to the first floor. Inside they offer spacious accommodation with modern decoration and quality fittings throughout with integrated kitchen appliances and flooring included.
