The Property

The ground floor is accessed via a porch entrance that in turn leads into the main hallway with stairs leading to the first floor. At the front of the property as you enter the hallway are two separate living rooms that are ideally versatile for a more formal living room and possibly a study or play for the other with the second reception room also giving you access to the grounds via a single door.

Continuing through the hallway you find a downstairs shower room/cloak room which sits opposite the door that then leads you into a beautiful country style kitchen which offers ample storage through both low lying and eye level units. A further separate utility room sits at the end of the kitchen with a further single door leading to the garden.

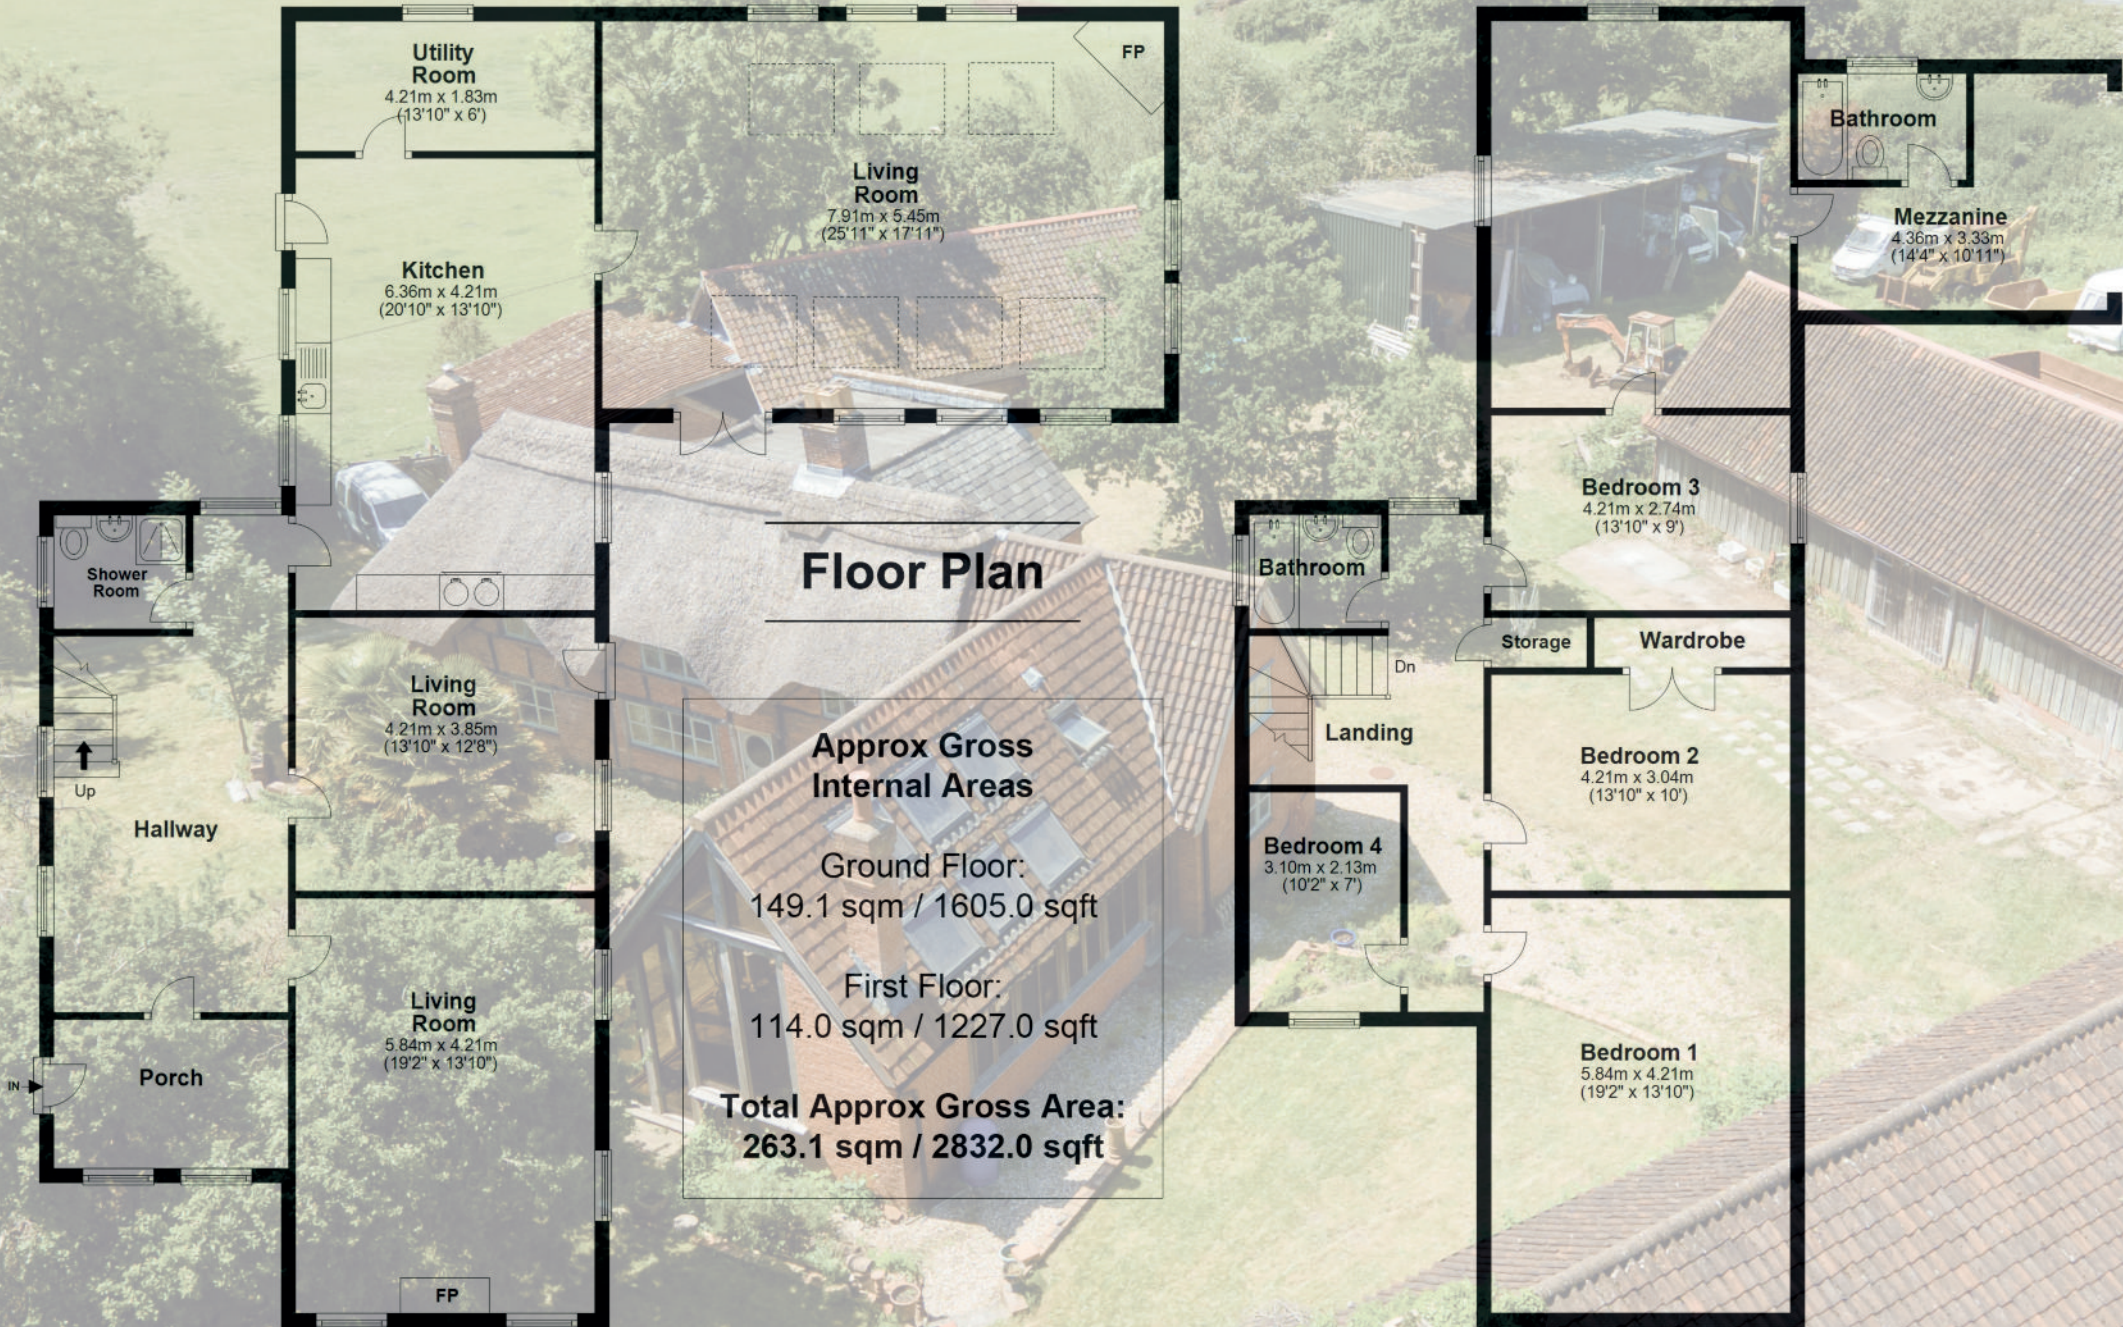

Leading from the kitchen is a particular feature of the house as you are greeted with a fantastic, vaulted ceiling living/family room with floor to ceiling windows, exposed brickwork walls, wood beamed roof, further Velux windows and French doors leading onto the gardens which floods this room with stunning natural light. All rooms to the ground floor as you walk through afford the luxury of wooden beam ceilings and character features throughout.

Stairs from the main hallway leads to the first-floor landing to four main bedrooms with family bathroom. The main bedroom sits at the end of the house with an adjoining room that could ideally be used as a dressing room and further access to a mezzanine gallery overlooking the sitting room and also giving access to a three-piece en suite.
