## Description

Perched on a fabulous hilltop plot, with stunning, panoramic views, this well-loved family home, full of charm and character, with its beautiful garden and village location, is awaiting a new lease of life.

Sheltered by a stone-built porch, the spacious entrance hall features original tiling and a coat hanging area. The dining room is at the front of the house, with a huge bay window providing uninterrupted views across Wedmore to Cheddar. The sitting room features a large fireplace, creating a cosy feel, and sliding double doors at the back, leading out onto the sun terrace. There is also a serving hatch through to the kitchen which adds to the characterful feel of the property. The kitchen features a breakfast area with access onto the sun terrace. There is also access into the utility and downstairs toilet, creating a practical space away from the main house.

Upstairs, the two double bedrooms both enjoy the fabulous views across to the Mendips, one of which features another large bay window, allowing natural light to flood in and adding to

the charm of the property. The third bedroom enjoys views of the garden and has generous built-in storage. All three bedrooms share a family bathroom with walk in shower.

## Outside

Built in original Wedmore stone, Stonecroft is sat high above the village on a generous plot. Not only are there views at the front of the property, but the beautiful, south-facing back garden is a gardener's dream.

Directly out from the house is a large, paved terrace, enjoying the sun all day long. Beyond this there is a well-kept lawn landscaped with flower beds and rose archways. The whole garden is an abundance of flowers and shrubs, with seating areas sprinkled throughout, creating a peaceful oasis in the heart of the British countryside.

At the entrance of the property is a spacious driveway adjacent to the front lawn, also filled with established flowers and shrubs. At the rear of the driveway is a versatile stone built double garage with an electric door and power.
