This 1930's mid terrace home has been extensively modernised and extended by the current vendors and now presents fantastic family accommodation arranged over three floors. There are so many details to mention but this house has been re-wired and plumbed, a loft conversion with French balcony offers a light and airy fabulous air conditioned main bedroom with a freestanding bath to one corner as well as a lovely contemporary en-suite shower room. To the first floor are the three further bedrooms, the smallest currently used as a dressing room with open fronted wardrobe and storage and a re-modeled bathroom. From the hall is a sitting room with shutters and fireplace and dining room with bi-folding doors onto garden, bespoke LED lighting open onto the extended re-fitted kitchen with built-in appliances, utility area and cloakroom. Beautifully decorated throughout with fitted carpets, laminate floors some being Amtico as well as original stripped wooden floors and internal doors. Throughout this is a great really individual home having had a great deal of improvement works carried out and now ready for anyone to make a great new home making use of the garden with storage garage
