Land

Excellent block of land extending to 163 acres Approx. The land will grow excellent crops of grass/silage and all the fields are located off the central surfaced all-weather track which conveniently serves all the fields. The fields are all of good size with an excellent silage field running to 37 Acres. All the fields are served by large concrete water troughs and the fences and hedges are all in excellent order.

There is a field and some woodland opposite the road.

Please Note

The property is sold as seen. Prospective purchasers should satisfy themselves with appropriate surveys etc before the purchase. The seller requires a 2 month period between exchange and completion. With vacant possession on completion.

Additional Land

There is an additional block of excellent land amounting to 22 Acres which adjoins Rhyddgoed Farm. This block is available under separate negotiation and owned by a third party.

Footpath & Right of Way

There is a footpath that goes through the property mostly following the farm track. 12/135/1. There is a right of way in emergencies over the central track to a block of land. The

block of land does have its own access from a quiet district C class road.

Services

Mains water, electric and private drainage. Private Bore Hole Water.

Council Tax

We are advised that the Council Tax Band for Rhyddgoed Fawr Farmhouse is D and Ty Rhyddgoed is F.

Engine Room

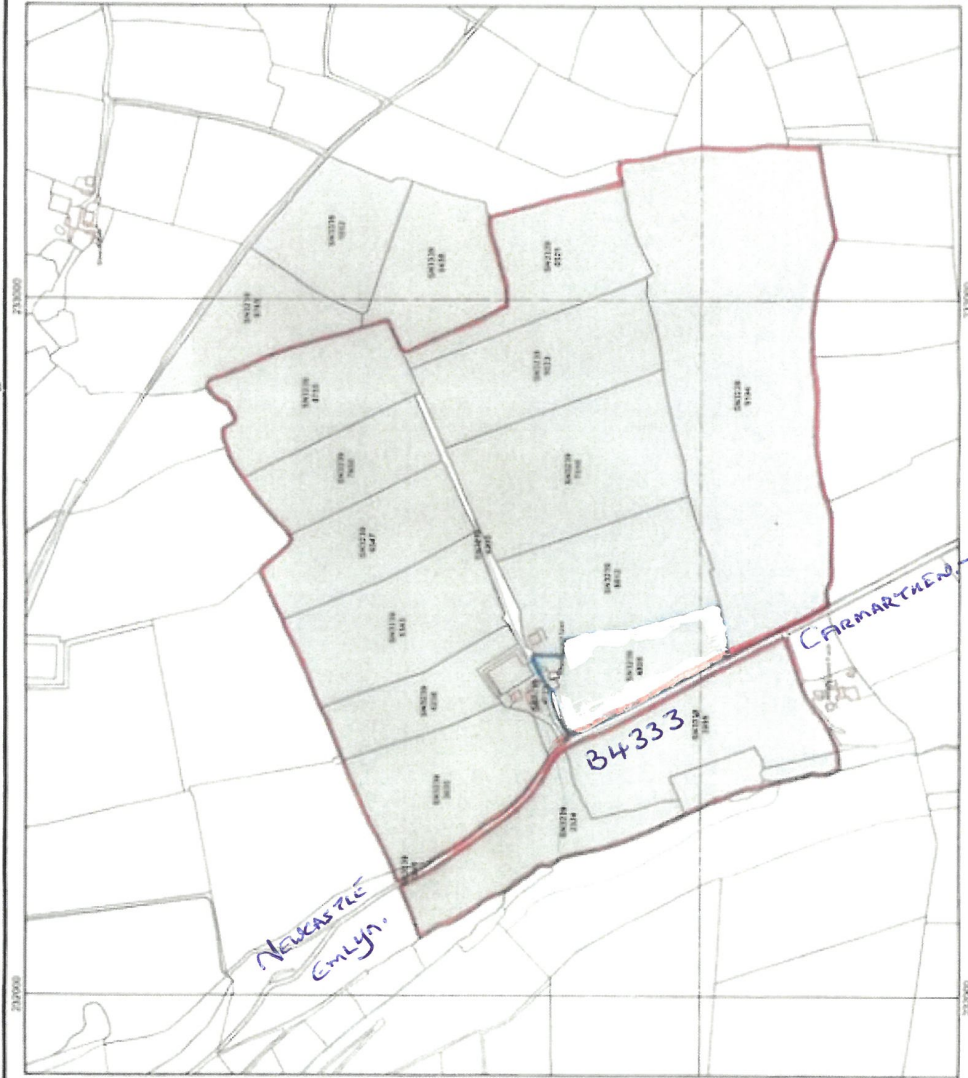

Housing a 25 KVA Generator with electric switchboard. Run from a tractor PTO system. This runs the parlor and electrics for the outbuildings we are informed.

Money Laundering Regulations

The successful purchaser will be required to produce adequate identification to prove their identity within the terms of the Money Laundering Regulations. Appropriate examples include: Passport/Photo Driving Licence and a recent Utility Bill. Proof of funds will also be required, or mortgage in principle papers if a mortgage is required.

Tenure

The property is Freehold. The property will be vacant possession on completion. There will be a gap of 2 months between exchange and completion.
