## About the Property

Eccleston House is a beautifully presented character residence constructed in 1908 boasting many original features, seven bedrooms, four bathrooms and flexible accommodation over three floors.

A spacious hallway with attractive parquet flooring gives access to the ground floor accommodation and stairs to the first floor. Four spacious reception rooms provide flexible living and dining space, alongside potential for a home office and playroom. A modern kitchen/breakfast room is fitted with a range of high-gloss units with feature island/breakfast bar, integrated range cooker, dishwasher, washing machine and space for an American fridge/freezer. Bi-fold doors lead out from the kitchen to a large decked terrace, ideal for entertaining. Completing the ground floor is a cloakroom fitted with WC and wash basin.

The first floor accommodation is accessed from an impressive galleried landing with large stained glass window. The main bedroom is an impressive double with attractive fireplace, twin walk in wardrobes and access to a stunning en-suite fitted with a roll top bath, large walk in shower, twin wash basins, and WC. Bedroom two, another generous double, also benefits from a walk in wardrobe and a modern en-suite shower room. Bedrooms three and four are served by a family bathroom fitted with a four piece suite comprising roll top bath, oversized shower enclosure, wash basin and WC.

On the second floor there are two further bedrooms served by a shower room; living room and recently re-fitted kitchen, making an ideal annex. Planning permission was previously granted (currently expired) to add an external staircase to create direct access to the top floor flat, enabling a completely self-contained annex.

At the rear of the house is a good-sized garden with a large decked area, steps then lead down to a large level lawn bound by mature shrubs and hedging. There are also two useful storage rooms.

To the front of the property a carriage driveway is accessed via electrically operated gates, offering ample off road parking and access to a single garage benefitting from power and light.
