NEW FOREST

A rare opportunity to acquire this beautifully converted Grade II listed chapel, situated in the very heart of Brockenhurst. Thought to have been originally built as a cottage in 1750, the property was extended and completed in 1841 to offer a place of worship. The chapel was converted into two residential properties in the 1980's and now offers spacious and elegant accommodation over two floors with a mezzanine level. The property further benefits from a courtyard garden and off street parking.

The Property

This unique 2/3 bedroom character home showcases an array of charming original features, including high ceilings and striking stained-glass windows. The hallway comprises a WC, understairs storage cupboard, and stairs rising to the first-floor landing.

The impressive, vaulted living room is set from here and features three original arched stained-glass windows and a real feature of this room is an exposed brick fireplace and hearth. A stunning glass-panelled wall connects seamlessly to the dining area and kitchen, creating a lovely flow throughout and allowing natural light to fill the home.

The kitchen/dining room boasts a feature arched window and a glass-panel door opening onto the pretty rear garden and patio. A bespoke fitted wooden kitchen, complemented by a separate utility room and pantry, provides an excellent space for entertaining and dining.

A versatile study is set at the rear of the cottage which could alternatively be used as a ground floor bedroom and which benefits from ample built in storage and shelving.

The Local Area

Brockenhurst is the largest village in the New Forest, boasting a thriving and lively community with all the necessary essentials of a proper working village, including a butcher, bakery, greengrocer, cafes and tea houses, plus services such as a doctor, dentist and post office.

In addition, the village boasts an 18 hole championship golf course, a luxurious spa and a number of highly regarded hotels including the Balmer Lawn, the Pig and Careys Manor, all of which offer fine dining restaurants.

In Brockenhurst the New Forest is all around you and wild ponies, deer and cows roam at will. The North and South Weirs streams join and as one flow through Brockenhurst. In Brookley Road in the warmer months of the year the stream flows across the road, commonly referred to as The Splash. There is a second ford in the Waters Green area of the village and this flows continuously throughout the year.

From beyond this the Weirs stream meets the river formed by the Blackwater and Ober Water to become the Lymington River.

It is Brockenhurst's mainline station (service into London Waterloo approximately 90 minutes) that turns the dream of a country idyll into reality for those working up in London and makes Brockenhurst village a property hot spot.
