As you enter the property through the entrance hall, you are greeted by a light and airy living room complemented by a fireplace now home to a log burner and door opening onto the attractive garden. Outside, the property sits in well-maintained mature gardens in a tranquil setting, home to an abundance of nature. The beautiful south-facing rear garden includes a patio, area of stone chippings, and the formal lawn protected by mature shrubs, flowers, trees and fruit trees. Additionally, found at the rear of the garden is the garage complete with power, light and heating along with a gravel driveway which provides off road parking for two cars. There is a front garden which is mainly laid to lawn with two paved pathways to the front of the property.

Furthermore, the property backs onto Moor Lane which gives access to paddocks, screened by trees adding to the overall privacy. Situated in the heart of West Hagbourne, the area continues to remain a highly sought after village location with properties rarely available to purchase.

The property is heated via an LPG gas fired boiler which was fitted only two years ago. Connected to mains water, gas, electricity, and sewerage, with uPVC double glazing throughout.
