3D Virtual Tour Available- Take a closer, more detailed look around via our 3D Virtual Tour! Don't forget that you can also check availability for viewings online via a visit to our website...We have enjoyed living here and particularly like looking out onto the green opposite, the garden and surrounding trees. The integral garage is very useful making access easy without having to go outside. The driveway is ideal as it allows for visitors cars too. Walks in this area are brilliant and the woods at the back of the estate are lovely. Many people on the estate are now friends of ours and we will be sorry to leave however circumstances leave us little choice.
