Property Summary

An exceptional garden apartment forming part of a beautiful period home on a quiet tree-lined road in the sought-after area of Lower Parkstone. What makes this property truly exceptional in our opinion is not only the overall size of the accommodation, but also the fact that it has one of the largest private gardens we've seen with an apartment. With direct access to the garden and the ability to access the property independently, this apartment is simply perfect for buyers wanting a high degree of privacy. The property could benefit from some cosmetic improvement but in our opinion, it's a small price to pay for the outstanding opportunity to acquire a garden flat of this calibre.

Key Features

- Large entrance hallway
- Living room overlooking the private garden
- Fitted kitchen with beautiful arched window
- Two bedrooms
- Modern bathroom
- Exceptionally large private garden
- Private gated parking and direct access to the property
- No forward chain
- Pets and holiday lets allowed

About the Property

The property can be accessed independently from either the private garden or via a communal entrance hallway. The entrance hallway is a particularly good size and is centrally positioned in the apartment with a semi-open plan arrangement to the kitchen which gives a superb sense of space. The fitted kitchen has plentiful work surfaces and units but undoubtedly the 'star of the show' in the kitchen is a beautiful arched window that overlooks the private garden whilst flooding the room with natural light. The living room also has a large window that looks out to your own garden.

The principal bedroom has plentiful space for furniture and as repetitive as it may sound, this room also enjoys the same aspect with a window having views to your private garden. The second bedroom has direct access to the garden.

To the front of the property, there is gated off-street parking for numerous vehicles and this opens to the main garden which has a variety of mature trees and shrubs and is mainly laid to lawn. A patio extends across the rear of the property and it's worth mentioning that the property has a beautiful façade that can also be enjoyed from the garden. For purchasers with pets, or keen gardeners we feel the garden is about as good as it gets..!

Whilst the property could benefit from some cosmetic improvement, the bones of the apartment are beyond impressive and the opportunity that this home presents to buyers is simply superb. Gated parking, an enormous garden, a true sense of privacy and spacious, characterful accommodation – need anything else..?
