

John Harrison Way, London. SE10 0GJ.

£699,950

Stunningly presented second floor apartment primely positioned in the highly sought Norton Building on the Greenwich Peninsula. Impeccably finished with an elegant high end specification, the apartment features a stylish kitchen with integral appliances open plan to the luxurious living area with dual aspect windows with far reaching views. Three spacious double bedrooms, two bathrooms and a large private balcony complete the property. The apartment also offers ample storage throughout and cosy underfloor heating. A huge bonus to this property is the rarely available secure parking space with electric charging point. Further benefits for residents include access to the services provided by the Aperture Building which include concierge services, a triplex gym, nursery and Pan Asian restaurant
