## Description

Lovely community to live in or great lock up and leave holiday home.

These flats were substantially built in 1965 when the focus was on providing significant grounds and these are wonderful. Lawns the size of a cricket ground and just as manicured, a secret garden, and an open air heated swimming pool.

Lets talk about the swimming pool and grounds. Hidden behind shrubs and a wall is a beautifully maintained open air heated swimming pool and sunbathing area. This is open from May until September and has an individual locker for each flat, changing cubicles and a shower. Behind the swimming pool is a beautiful secret garden with mature shrubs, pergola, benches. There are toilets as well. This is ideal for a BBQ and well used by the flat community. There is even a communal herb garden.

The flats can be accessed from Western Road or The Avenue and there are garage blocks and visitor parking. The flat comes with a garage with an electric up and over door, power and light. Although the location means you will barely need a car: walk to Westbourne, walk to the Chines, walk to the beach, walk to the Railway station, walk to the supermarket.

## The Situation

Greenacres is within a 10 minutes walk of Branksome Chine beach making this location perfect for summer evening and weekend strolls along the promenade. At Branksome Chine itself is Branksome Beach Cafe, a great treat either before or after the walk for a coffee & cake or spot of lunch. There is a 7 mile stretch of award winning blue flag beaches to be enjoyed there is an array of other places to stop for food, drink or an ice cream. From Branksome Chine it is an easy stroll into Bournemouth Centre or in the opposite direction to Sandbanks which is the entrance to Poole Harbour; the 2nd biggest natural harbour in the world.

There are a number of activities to be enjoyed given the close proximity to the beach and Poole Harbour itself, if it is body boarding, kite surfing or paddle boarding you are into you really would be spoilt for choice as the list goes on. Don't forget that the block is pet friendly and there is no better place to walk with man's best friend than the beach. And for energetic people(and dogs) Dorset's Jurassic coast is a key destination for walkers. This is over the chain ferry at Sandbanks, which is also the gateway to the Purbeck Hills which accommodates the area's large cycling community. For golfers the area is full of recommended courses the closest being Parkstone which is in the top 100 in the UK. Tennis courts and a green bowls lawn in Leicester Road are a short walk. Or a lazy day on Sandbanks beach is always good.

If you enjoy meeting friends for long lazy lunches or fancy a spot of shopping you have a number of options, especially if you don't want to take the car, Westbourne and Canford Cliffs village are both within walking distance.

Westbourne is full of an eclectic mix of eateries and coffee shops as is Bournemouth. Locally Westbourne is considered very much a village with lots of independent shops and the UK's smallest cinema with just 19 seats. The pick of eateries are The Dancing Duck, Indi's, Renoufs cheese and wine bar, the award winning Chez Fred fish 'n chips and a real traditional pub-The Porterhouse. And in Canford Cliffs, don't miss going to The Cliff pub.

There are some real 'treat' restaurants locally. On special occasions try out Rick Stein's that sits on the edge of Poole Harbour and the Pig on the Beach in Studland with the some of the most special views over Poole Harbour and Old Harry Rocks.

## The Situation continues...

For shopping there is an M&S food store in Westbourne and a larger store Tesco or Lidl at Branksome, all walking distance from Greenacres. For ladies the famous HND hairdressing and beauty salon is in the local Canford Cliffs village.

From Greenacres you have easy access (less than 2 minutes) to the Wessex Way which is dual carriageway to the A31, from here you have access to the New Forest, Southampton and the UK motorway network. Bournemouth International Airport is within 9 miles and Branksome Railway Station is close by and has direct routes to London (2 hours) and Manchester. And from Poole Harbour there are daily ferries to France and the Channel Isles.

Flat living but with the benefits, and not the hassle, of the grounds and the swimming pool.
