Woodpath Cottage, Robert Road, Hedgerley, Buckinghamshire. SL2 3XS.

£930,000 Freehold

This well-presented four-bedroom detached home is tucked away in a sought-after cul-de-sac in the picturesque village of Hedgerley. Blending period charm with modern family living, the property features generous room sizes, an impressive open-plan kitchen/dining space, and a south-east facing garden — all just moments from village life and countryside walks.

To the front, a block-paved driveway with an EV charging point offers parking for up to three vehicles and leads to the entrance porch, side access, and utility entrance.

Inside, a welcoming hallway gives access to all principal rooms. The family room (12'0 x 11'3) enjoys a bay window to the front and a characterful fireplace — an ideal spot for reading or relaxing.

The main living room (19'11 x 11'10) is filled with natural light, with French doors opening onto the rear garden. Built-in shelving and an open fireplace add a cosy, refined feel.

At the heart of the home lies the kitchen/dining room (20'4 x 17'5) — a beautiful, multifunctional space designed for modern family living. A central island features a Corian worktop with integrated double sink, dishwasher and breakfast bar, while further units provide room for a range oven and American-style fridge/freezer. A fitted seating nook offers space for informal dining, and wide bi-fold doors open directly onto the garden. Limestone flooring runs throughout.

A separate utility room (10'6 x 8'1) offers practical access to both the front and rear gardens, and includes additional fitted units, an extra sink, space for laundry appliances, an integrated freezer, and access to a downstairs WC.

Upstairs, the accommodation is thoughtfully laid out:

- The principal bedroom (17'5 x 10'2) features fitted wardrobes and a sleek en suite shower room.
- The second bedroom (12'3 x 9'10) offers fitted shelves and ample space.
- The third bedroom (11'11 x 10'2) includes a charming bay window and fitted wardrobes and shelves, and works well as a guest room or larger child's bedroom.
- The fourth bedroom (8'0 x 6'10) is currently used as a home office and could also suit a nursery or single bedroom.

- The family bathroom is finished in a modern style, and the boiler is located in the loft, accessible via a drop-down ladder with lighting.

Outside, the rear garden is private, mature, and well stocked, with established hedging and trees creating a peaceful backdrop. A generous lawn sits alongside a decked entertaining area, perfectly positioned to catch the evening sun. The detached summer house (11'7 x 7'11) offers a flexible space — ideal as a home office, studio, or garden bar. Side access links the garden to the driveway.
